## PROFESSIONAL SUMMARY

Graduated in Electrical Engineering, with solid experience in technical areas and data analysis within the electrical sector. Currently transitioning to Software Engineering, motivated by the interest in working in more dynamic, digital environments with greater professional flexibility. Currently enrolled in a Full Stack Developer training program, focused on web and backend development. Analytical, organized, and strongly interested in technological solutions that drive efficiency and innovation.

## PROFESSIONAL EXPERIENCE

**Saudade Distribution | May 2024 – Dec 2024 | France**
**Administrative and Financial Analyst**
- Managed financial records and supported administrative operations, ensuring accuracy and compliance.

**SMA Electrical Systems and Automation | 2021 – 2024 | Brazil**
**Commercial Analyst**
- Supported client relationships and project proposals, ensuring alignment with technical requirements.

**Energy Efficiency Analyst**
- Conducted energy consumption analysis and developed efficiency reports for electrical systems.
- Delivered recommendations that optimized energy use and reduced operational costs.

**Project Analyst**
- Contributed to technical project planning and documentation, collaborating with engineering teams.

**MRV Engineering | 2017 – 2021 | Brazil**
**Lead Analyst – Electrical Analysis Department**
- Founded and led the Electrical Analysis Department, coordinating a small team dedicated to reviewing electrical projects.

**Engineering Project Analyst**
- Developed electrical distribution projects, ensuring compliance with technical standards and regulations.

**Electrical Engineering Intern**
- Assisted in multidisciplinary projects using AutoCAD and Revit.

## ACADEMIC BACKGROUND

Bootcamp – Junior Full Stack Developer | Bytes4Future, Portugal | Jun 2025 – Nov 2025
Bachelor's Degree in Electrical Engineering | University Center of Belo Horizonte, Brazil | 2014 – 2019

## LANGUAGES

Portuguese - Native | English - C1 | Spanish - C1 | French – B2

## TECHNICAL SKILLS

JavaScript | HTML | CSS | Figma | Programming Logic | React.js | MongoDB | NodeJS | Agile | Scrum
